Residency Letter re exemption of materials required for the construction of the bridge at Sivakamundram from payment of tolls on Nyam roads.

13 The file is remitted herewith as the toll gate at Sivasamundram recently ordered to be opened is a State Toll gate and exemption from tolls in it will not rest with the D.T.B.

14 The concession asked for is a small one and may perhaps be shown. If this is approved the Resy will be asked to ascertain definitely what articles it is desired to be exempted - Exemption may then be given in respect of the particular articles and subject to such precautions to ensure that the exemption is used bona fide.

2. During the days of the Commission, i.e., from 1864 to 1888, the Harihar bridge was constructed. From the file of correspondence it cannot be made out whether any exemption of duties of the kind referred to was granted during its execution by the Bombay District Board; but it is seen that the help of the Revenue authorities of the Dharwar District was sought for in connection with the removal of the Fort stones situated in the British Territory for being used on the bridge and also for placing a small portion of the ground on the left bank of the river at the disposal of this Department for collection of stones and such other service as may be requisitioned.

Construction of a bridge across Sivasamudram- Your letter No.10747/CC-1915 dated 21st October 1927.

I am directed to state that the Government of Madras have no objection to the contribution of the Mysore Darbar being paid in July 1928.

2. The construction of the bridge is to be given on contract shortly and the contracting firm will have occasion to transport building materials across Mysore limits. If any Octroi duties, local taxes, bunder duties, etc., are leviable on these, I am to request you to be so good as to move the Darbar to waive the taxes on bonafide transport of materials for the work.

3. I am also to request you to move the Darbar to be so good as to issue instructions to their local officers to render all possible assistance to the staff employed on the work.
